For borrowers

The papers each loan asks for. Bring them to the branch, or attach clear photos when you apply online at the GR8 website. Your loan processor checks every one and tells you exactly what is missing; nothing moves to review until the list is complete.

Every loan: One government ID: PhilSys ID, TIN, SSS, driver's license or passport (the original, and a copy). The signed **consent form** (on this website, or signed online when you apply).

Good to know

You may have only one open application for each kind of loan at a time. Photos must show all four corners and be readable. Papers are seen only by the GR8 staff working on your loan, and every look is logged (Data Privacy Act of 2012).
