For borrowers

# How to pay

Pay any of these ways. Always use your **loan account number** (like LN-2026-0101, on your agreement and in My GR8) so the payment lands on the right loan. Every payment gets an official receipt, and you can see it in My GR8.

## Cash at the branch

- Go to the Malolos branch, Monday to Saturday, 8:00 to 5:00.
- Give your loan account number to the cashier.
- Keep the official receipt.

## Bank deposit

- Deposit to GR8 Lending Company's account: [bank, account name and number, to follow].
- Write your loan account number on the deposit slip.
- Tell us in My GR8 > Payments (amount, date and the deposit reference), or bring the slip to the branch.

## GCash

- Send to GR8 Lending Company's GCash: [number, to follow].
- Put your loan account number in the message.
- Tell us in My GR8 > Payments with the GCash reference number.

## Salary deduction (salary loans)

- Your employer deducts it each payroll and pays GR8 (Salary deduction authority).
- Check your payslip; it also shows in My GR8 once posted.

## Cheque

- Make it payable to GR8 Lending Company.
- Write your loan account number and mobile number on the back.
- Bring it to the branch. It counts as paid when the cheque clears.

## How a payment is applied

To any penalty first, then interest, then principal, starting with the oldest amount due. You may pay early or pay more; your agreement explains how. Payments you tell us about online are checked and posted by GR8 staff, usually within one working day.
